

SUPERVISION™

UNTOUCHABLE

ENGLISH

I. GAME DESCRIPTION

In the 24th century, a calamity struck as evil spirits, demons, and various monsters appeared from nowhere and started attacking humans. They have conquered many countries and enslaved the majority of the human race. You, our hero, are our last hope. Your mission: to defeat these unfriendly hosts and liberate our people from their tyrannical rule.

II. GETTING STARTED

After the power is turned on, the logo and the title screen is shown. Pressing the START key then will start the game.

When a game is over, you can select either to continue the game at the current playing level or to end the game by pressing the UP/DOWN keys. Then, press START key to re-start the game.

III. HOW TO PLAY

The game consists of four levels and five lives are given initially. Each life consists of four units of life force. Except at the very beginning of the game when you are immune from death, the life force will be reduced by one unit after you are being hit by the evil sprite. Besides, you are only equipped with a gun at the start. However, if you catch your partners, they will give you more powerful weapons. The available weapons are

1. gun
2. four-direction gun
3. diverging gun
4. infra-red gun
5. double bullet synchronic gun
6. super power gun

Besides, prizes are also available for collection. The prizes may increase your life force to 5 units or freeze your enemy for a while. You should first select the desired weapon by pressing the SELECT key. Afterwards, you can initiate the first five weapons listed to fire by pressing the A key. And you can use the super power gun and the freezing function by pressing the B key.

IV. SCORING

1. 50--200 points for killing a little sprite.
2. 1000 points for killing the big monsters.
